

# We Shall Save Our Home

by Jonathan F. Ormes

(first performed by Barry Albright and Melody Durso, Earth Day April 2015)

Sung to the tune of *We Shall Overcome*

This planet is our home.....This planet is our home  
We must save our home today  
Oh, deep in my heart, I do believe  
We shall save our home today

Let's not get too hot.....Let's not get too hot  
Let's not get too hot today  
Oh, deep in my heart, I do believe  
We must save our home today

Water for us all.....Water for us all  
Water for us all today  
Oh, deep in my heart, I do believe  
We must save our home today

Save us from the storms.....Save us from the storms  
Save us from the storms today  
Oh, deep in my heart, I do believe  
We must save our home today

Other species need us now.....Other species need us now  
Other species need us now  
Oh, deep in my heart, I do believe  
We must save our home today

We shall save our home.....We shall save our home  
We shall save our home today  
Oh, deep in my heart, I do believe  
We shall save our home today
